as well as forward communities are also admitted in the following proportion in order to avoid segregation of Harijans even in such hostels :—

Scheduled Castes—75 per cent of the strength.

Backward Classes—15 per cent of the strength.

Advanced Communities—10 per cent of the strength.

MR. CHAIRMAN : Before adjourning the House, I have to make a small announcement. A certain portion of the speech made by the hon. Member Sri Abdul Wahab has been objected to by some Members of the House. On an examination, I find that it is grossly unparliamentary and undignified. Of course, Sri Abdul Wahab is a new Member, perhaps inexperienced with these things. I do not call the language indecent. But, under the power vested in me, I have expunged the objectionable words he used.

The House will now adjourn and meet again at 3 p.m. on Monday, the 30th July 1962.

The House then adjourned.
